PARTNER HIGHLIGHT

OHIO MEANS JOBS (ONE-STOP)

A One-Stop system is a partnership of state and local agencies and organizations that provide free employment-related services to job seekers and employers. In 2016, One-Stops were branded as American Job Centers. In Ohio, American Job Centers are known as OhioMeansJobs Centers. For job seekers, OMJ provides job search tools, information on training and supportive services. For employers, OMJ offers recruitment services and help with workforce education and training needs.

Many students are unaware of a helpful incentive program provided by Ohio Means Jobs for educational gains and GED. Youth between the ages of 14 and 24 who are enrolled in the CCMEP program can earn \$200 for earning their GED or increasing TABE scores by two grade levels in math and reading. Adults who have a minor child in the home and who are under the 200% of poverty can earn a one-time \$200 bonus for obtaining their GED. If you have questions about these programs or your eligibility, feel free to contact the local One-Stop center located at 280 North Park Avenue, Suite 1, Warren, Ohio 44481 or by phone 330-675-2179.

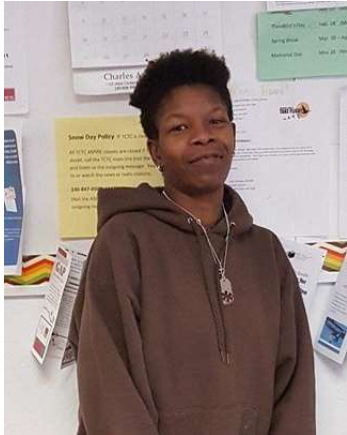

TRUMBULL COUNTY TAKE FLIGHT MOVES TO A NEW LOCATION

Trumbull Take Flight, a community based organization, guides individuals along a path to self-sustaining employment. It also assists individuals in identifying and removing employment barriers. This year TTF moved to a new facility on East Market Street and TCTC Aspire had the privilege to move with it. Aspire and TTF work hand-in-hand to move participants along an education to a career pathway. Working together allows participants to earn a high school equivalency and move into a career, not just a job. Check them out on Facebook at Trumbull County Take Flight.

STUDENTS OF THE MONTH

FEBRUARY – DORIA JOHNSON

Doria attends class at Trumbull County Take Flight. She is an outstanding academic student; always works hard and gives her best. Her attitude toward learning is exemplary! She is a wonderful student to have in class and a role model for other students. Congratulations Doria!

APRIL – MICHAEL CHENOWETH

Michael attends classes at ETI, has passed the RLA and Social Studies sections, and is scheduled to take his Science test this month.

Michael started GED classes in August; he attends faithfully, stays the entire three hours, and has made great progress towards his goal. He has only missed a few classes

this year--in fact, no one feels quite right when Michael isn't there! Although he is the youngest student in the class, his consistent attendance and positive attitude are great motivators for the whole class. The icing on the cake? Just look at that smile!

TCTC Aspire

STAFF HIGHLIGHT

Des Puhak teaches at Trumbull Career and Technical Center in the mornings and has been with Aspire, formerly ABLE, for a very impressive 42 years! During this time, Mrs. Puhak has helped thousands of students reach their educational goals in the classroom. She will retire after this school year and will be very missed in the Aspire program by staff and students. Anyone wishing to send a note of congratulations can mail to:
